Ankeny **EQUEST FOR CITY COUNCIL ACTION**		
City Council Meeting of 2/1/2010	Agenda Item: "K" - New Business	
Originating Department: Public Works	Subject: 2009 SE Oralabor Road Reconstruction Project - Development Agreement	
Action Requested: Resolution	Council Goal: Improve mobility and infrastructure	
Include Cover Sheet:	Legal: Item Reviewed by Legal Counsel	
Executive Summary:		
The action before the Council is a motion to accept a development agreement with Gary Flaherty, who owns a residential property adjacent to the 2009 SE Oralabor Road Reconstruction Project. Mr. Flaherty's property is a corner lot that currently has two driveways, one with access onto SE Four Mile Drive, and one with access to SE Oralabor Road. The driveway onto SE Oralabor Road is an earth drive that is rarely used by Mr. Flaherty. There will be a raised median constructed along the center of SE Oralabor Road that will restrict the access to right-in / right-out only. To provide good access control, it is recommended that this second driveway be eliminated in the future, as the adjacent area develops. Mr. Flaherty has requested that he be allowed to keep this driveway at this time, so that he can move a large camper out of his yard on an infrequent basis. The agreement allows the driveway to stay in place now, but will require that the driveway be removed if the property is ever sold, developed or improved from it's current use. Mr. Flaherty is agreeable with this.		
It is recommended that Council approve the agreement and authorize the mayor to sign the original document to faciliate this access removal in the future.
